UNITED STATES STANDARD CERTIFICATE OF BIRTH

Why births should be registered—There is hardly a relation of life, social, legal, or economic, in which the evidence furnished by an accurate registration of births may not prove to be of the greatest value, not only to the individual but also to the public at large. It is not only an act of civilization to register birth certificates but good business, for they are frequently used in many practical ways, some of which are listed below:

(1) As evidence to prove the age and legitimacy of heirs;

(2) As proof of age to determine the validity of a contract entered into by an alleged minor;

(3) As evidence to establish age and proof of citizenship and descent in order to vote;

(4) As evidence to establish the right of admission to the professions and to many public offices;

(5) As evidence of legal age to marry;

(6) As evidence to prove the claims of widows and orphans under the widows' and orphans' pension law;

(7) As evidence to determine the liability of parents for the debts of a minor;

(8) As evidence in the administration of estates, the settlement of insurance and pensions;

(9) As evidence to prove the irresponsibility of children under legal age for crime and misdemeanor, and various other matters in the criminal code;

(10) As evidence in the enforcement of law relating to education and to child labor;

(11) As evidence to determine the relations of guardians and wards;

(12) As proof of citizenship in order to obtain a passport;

(13) As evidence in the claim for exemption from or the right to jury and military service.

Statement of occupation—Make some entry in this section for each parent. For a woman whose only occupation is that of home housework, write "housework" in answer to question 23 and "own home" in answer to question 24. For a person engaged in domestic service for wages, however, designate the occupation by the appropriate terms, as "housekeeper—private family," "cook—hotel," etc. For a person who has no occupation whatever write "none."

To be complete, an occupation return must state:

(14) and (23) The trade, profession, or particular kind of work done.
(15) and (24) The industry or business in which the work is done.
(16) and (25) The month and year the person last worked at the occupation.
(17) and (26) The number of years the person followed the occupation.

In stating the occupation, avoid the use of such indefinite terms as "employe," "worker," "operative," etc. Find out the particular kind of work done and return that, as "spinner," "weaver," etc.

In stating the industry or business, avoid the use of such general terms as "store," "factory," "mill," etc. State the particular kind of store, factory, mill, etc., as "grocery store," "soap factory," "cotton mill," etc.

Distinguish carefully the different kinds of engineers by stating the full descriptive titles, as "civil engineer," "mechanical engineer," "mining engineer," "stationary engineer," etc. Avoid the term "laborer" when a more precise statement of occupation can be secured. Do not use the word "mechanic," but give the exact occupation, as "carpenter," "painter," "machinist," etc. Distinguish carefully between "retail merchants" and "wholesale merchants." A person who sells goods should be called a "salesman" and not a "clerk."

WRITE PLAINLY WITH UNFADING INK—THIS IS A PERMANENT RECORD
N. B.— In case of more than one child at birth a SEPARATE RETURN must be made for each and the number of each, in order of birth stated.

UNITED STATES STANDARD CERTIFICATE OF BIRTH

Why births should be registered—There is hardly a relation of life, social, legal, or economic, in which the evidence furnished by an accurate registration of births may not prove to be of the greatest value, not only to the individual but also to the public at large. It is not only an act of civilization to register birth certificates but good business, for they are frequently used in many practical ways, some of which are listed below:

(1) As evidence to prove the age and legitimacy of heirs;

(2) As proof of age to determine the validity of a contract entered into by an alleged minor;

(3) As evidence to establish age and proof of citizenship and descent in order to vote;

(4) As evidence to establish the right of admission to the professions and to many public offices;

(5) As evidence of legal age to marry;

(6) As evidence to prove the claims of widows and orphans under the widows' and orphans' pension law;

(7) As evidence to determine the liability of parents for the debts of a minor;

(8) As evidence in the administration of estates, the settlement of insurance and pensions;

(9) As evidence to prove the irresponsibility of children under legal age for crime and misdemeanor, and various other matters in the criminal code;

(10) As evidence in the enforcement of law relating to education and to child labor;

(11) As evidence to determine the relations of guardians and wards;

(12) As proof of citizenship in order to obtain a passport;

(13) As evidence in the claim for exemption from or the right to jury and military service.

Statement of occupation—Make some entry in this section for each parent. For a woman whose only occupation is that of home housework, write "housework" in answer to question 23 and "own home" in answer to question 24. For a person engaged in domestic service for wages, however, designate the occupation by the appropriate terms, as "housekeeper—private family," "cook—hotel," etc. For a person who has no occupation whatever write "none."

To be complete, an occupation return must state:

(14) and (23) The trade, profession, or particular kind of work done.
(15) and (24) The industry or business in which the work is done.
(16) and (25) The month and year the person last worked at the occupation.
(17) and (26) The number of years the person followed the occupation.

In stating the occupation, avoid the use of such indefinite terms as "employe," "worker," "operative," etc. Find out the particular kind of work done and return that, as "spinner," "weaver," etc.

In stating the industry or business, avoid the use of such general terms as "store," "factory," "mill," etc. State the particular kind of store, factory, mill, etc., as "grocery store," "soap factory," "cotton mill," etc.

Distinguish carefully the different kinds of engineers by stating the full descriptive titles, as "civil engineer," "mechanical engineer," "mining engineer," "stationary engineer," etc. Avoid the term "laborer" when a more precise statement of occupation can be secured. Do not use the word "mechanic," but give the exact occupation, as "carpenter," "painter," "machinist," etc. Distinguish carefully between "retail merchants" and "wholesale merchants." A person who sells goods should be called a "salesman" and not a "clerk."

State of Idaho,
SS:
County of Gooding,

Emma Louise Singer being first duly sworn on oath deposes and says: That she is the mother of Milford Davis Singer who was born at Bellevue on March 22, 1906. That on or about November 22, 1940 she applied to the Department of Vital Statistics of the State of Idaho for a birth certificate for said child and by a mistake stated that his name was Milford LaVerne Singer. This mistake was due to the fact that she has one son whose middle name is LaVerene. That she is the mother of ten children, six of whom are boys and that she stated orally to the party preparing the affidavit the full name of the child and must have mistakenly given the middle name as LaVerne instead of Davis.

WHEREFORE she prays that a birth certificate be issued for her son Milford Davis Singer by his correct first and middle name.

Mrs. Annie Louise Shawver, being first duly sworn says that she is a resident of Jerome County, State of Idaho, and has been for a period of years. That during the year of 1900 she married one Ira G. Finch, said marriage was performed at Malad, in Oneida County, Idaho.

That during the year of 1906 there was born to said union a son who was christened Jett Finch; that thereafter, during the year of 1912, this affiant obtained a decree of divorce from Ira G. Finch, her said husband and was by the Court awarded the custody of the said son, that the said Ira Finch died in the Territory of Alaska on or about the year 1930.

That thereafter, during the year of 1913 this affiant married one John W. Ward, of Carey, Blaine County, Idaho and that Jett Finch, the said son remained with her and under her control and custody and he thereupon took and was known by the name of Jett Finch Ward, and that during all the succeeding years he has been known by such name, and that he was married under the name of Jett Finch Ward and still has and retains such name.

That no Court or other proceedings were had to change his name from that of Finch to Ward other than by common usage.

That the said John W. Ward died during the year of 1918, and that during his lifetime and up to his death he assumed the guardianship and the care of said child, and that with the said deceased's full knowledge and consent the said child used the name of Jett Finch Ward.

That after the death of said John W. Ward, and during the year of 1923, this affiant married one Earnest E. Shawver of Jerome, Idaho and they have and still reside together.

This affidavit is made so as to acquaint the Department of Welfare, Bureau of Vital Statistics, as to the circumstances concerning and relating to the change of name and this affiant asks that such Bureau record the facts accordingly.

Dated and signed at Jerome, Idaho, this 27th day of January, 1941.
